Holiday Camps

We pride ourselves on delivering fun and engaging holiday programmes. Each camp day runs from 08:00 to 18:30 and offers a diverse range of exciting activities and experiences, perfectly suited to the various age groups we welcome at camp. There's something for every child – whatever their interests!

Children are grouped by age: Young Explorers are typically 4 to 6 or 7 years old, while Great Adventurers are 7 or 8 to 12 years old. Some themed sessions are shorter for our Young Explorers, with children gently guided in their choices and options, whilst our Great Adventurers enjoy more autonomy and control over shaping their day.

Did you know that...

- You can receive childcare allowance (kinderopvangtoeslag) for (additional) holiday care.
- Sometimes, the programme may run differently than planned—for example, due to bad weather. In that case, we'll arrange another fun activity.

Sports and PO Games outdoors every day
